Fax: 0043-1-6066877-3809

Research interests

- ethnography of policy work and public administration
- documentation practices and technologies in policy and administrative practice
- knowledge and science-policy interface
- participatory modelling for knowledge exchange
- public participation in planning and policy making
- sustainable consumption, food policy in particular
- sustainability evaluation and strategies

Academic positions

Lecturer and Research Fellow, University of Applied Sciences, FH Campus Wien, Public Management, May 2014 – present

Lecturer and Research Fellow, Institute for Public Policy and Economics, Faculty of Social and Economic Sciences, Comenius University, Bratislava, Sept. 2006 – Aug. 2008 and Sept. 2012 – present (including supervision of master theses)

Visiting Lecturer, Department of Environmental Science, Faculty of Social Sciences, Masaryk University, Brno, 2012 – 2014

Senior Research Fellow at the Institute for Managing Sustainability (formerly RIMAS), Vienna University of Economics and Business (WU Wien), Dec. 2007 – April 2014

Education

Scholar, postgraduate program ‘Sociology of Social Practices’, Department of Sociology, Institute for Advanced Studies (IHS), Vienna, Oct. 2012 – Aug. 2015

Ph.D., International Relations, Faculty of International Relations, University of Economics in Bratislava, Sept. 2002 – Aug. 2005

Dissertation: *A Contemporary Look at the Problematique of Sustainable Development (with a Focus on the Institutional Dimension)*; supervisor Prof. Ing. Jaroslav Filip, CSc., Director of the Institute of International Economics; external supervisor Prof. RNDr. Mikulas Huba, CSc., Institute of Geography, Slovak Academy of Sciences

M.Sc. (with distinction), Environmental Sciences and Policy, Department of Environmental Sciences and Policy, Central European University Budapest & University of Manchester, Sept. 2004 – July 2005

Thesis: *National Strategic Planning in the Slovak Republic: Opportunities and Challenges to Sustainable Development*; supervisor Dr. Aleh Cherp, International Institute for Industrial Ecological Economics (IIIEE), Lund University

Ing. (Master), International Relations, Faculty of International Relations & Faculty of Commerce, University of Economics in Bratislava, Sept. 1997 – June 2002

Thesis: *Global Environmental Governance and the Role of Multilateral Diplomacy in the Protection of the Environment*; supervisor Prof. Ing. Ludovit Toth, CSc., Department of Diplomacy and International Relations; external supervisor Prof. RNDr. Mikulas Huba, CSc., Institute of Geography, Slovak Academy of Sciences

3-month internship at United Nations Development Programme (UNDP) RBEC Bratislava, in the regional coordination of the Capacity 21 Programme (October 2001 – February 2002)

Grants

- Creating preconditions for better HR policy framework in local government units in the Federation of Bosnia and Hercegovina, coordinator M. Sedlacko/FH Campus Wien, 2017, Austrian Development Cooperation/BACID, 2017
- Evaluating the Transformation of Transport Administration, coordinator M. Sedlacko/FH Campus Wien, 2016-2019, ASFINAG, 50.000 EUR budget size
- Knowledge Utilization in Production of Policy Documents in the Policy Process, coordinator K. Staronova/Institute of Public Policy and Economics, Comenius University in Bratislava, 2013–2017, APVV, 250.000 EUR budget size
- Contributing to Building of Awareness, Learning and Transfer of Knowledge on Sustainable Use of Raw Materials (COBALT), coordinator M. Sedlacko/WU Wien, 2013–2014, FP7, 1.000.000 EUR budget size
- Dynamic Policy Mixes for Absolute Decoupling of Environmental Impact of EU Resource Use from Economic Growth (DYNAMIX), coordinator EcoLogic, WP lead M. Sedlacko/WU Wien, 2012–2015, FP7, 500.000 EUR WU Wien WP share
- Linking Research and Policy Making for Managing the Contradictions of Sustainable Consumption and Economic Growth (RESPONDER), coordinator A. Martinuzzi/WU Wien, 2011–2013, FP7, 3.500.000 total (principal proposal authors: A. Martinuzzi, F. Hinterberger (SERI), F. Rubik (IOeW), G. Scholl (IOeW), M. Sedlacko)
- Development of SDI Manual (non-research project), coordinator M. Hametner (WU Wien), 2011–2012, Eurostat, 120.000 EUR (participation on proposal)
- UNCSD-related Publications (non-research project), coordinator M. Hametner (WU Wien), 2011–2012, Eurostat, 120.000 EUR (participation on proposal)
- Weiterentwicklung und Test von Systemaufstellungen in Evaluationen (SystEval), coordinator M. Sedlacko (WU Wien), 2010–2012, OeNB, 90.000 EUR
- External Advisory Group (Support to the Implementation of the Serbian National Sustainable Development Strategy – non-research project, policy advice), coordinator G. Berger (WU Wien), 2010–2012, Government of Serbia, 200.000 EUR (participation on proposal)
- Analysis, Implementation and Dissemination of Well-Being Indicators, coordinator M. Hametner (WU Wien), 2011–2012, Eurostat, 1.500.000 EUR (participation on proposal)
- Study on Contributions of the Regional and Local Authorities to Sustainable Development Strategies, 2007–2008, Committee of the Regions, 60.000 EUR (proposal authors: G. Berger, A. Martinuzzi, M. Sedlacko)

Scholarship awards

Department of Sociology, Institute for Advanced Studies (IHS), Vienna 2012–2015

Department of Environmental Sciences and Policy, Central European University Budapest 2004–2005

Other awards

- Awarded Project (Contributing to Building of Awareness, Learning and Transfer of Knowledge on Sustainable Use of Raw Materials – COBALT), Research Excellence, Vienna University of Economics and Business (WU Wien)
- Awarded Project (Dynamic Policy Mixes for Absolute Decoupling of Environmental Impact of EU Resource Use from Economic Growth – DYNAMIX), Research Excellence, Vienna University of Economics and Business (WU Wien)
- Sustainability Awards 2012 (International Cooperation), Austrian Ministry of the Environment and Austrian Ministry of Science and Research
- Awarded Project (Evaluation of Sustainability: European Conferences and Trainings – EASY-ECO 2008–2010), Research Excellence, Vienna University of Economics and Business (WU Wien)

- Awarded Project (Linking Research and Policy Making for Managing the Contradictions of Sustainable Consumption and Economic Growth – RESPONDER), Research Excellence, Vienna University of Economics and Business (WU Wien)
- Awarded Project (Weiterentwicklung und Test von Systemaufstellungen in Evaluationen – *Further Development and Testing of System Constellations in Evaluation*), Research Excellence, Vienna University of Economics and Business (WU Wien)
- 2nd prize in the first year of *Czecho-Slovak Student Essay Competition on Sustainable Living*, organised by the Slovak Society for Sustainable Living (STUŽ/SR) and REC (2002)

(2006). *Národné strategické plánovanie pre (trvalo) udržateľný rozvoj v SR: výzvy a prekážky [National strategic planning for sustainable development in the Slovak Republic: challenges and barriers]*. 15 February 2006, Department of Social and Economic Sciences, Comenius University in Bratislava – invited presentation.

Sedlacko, M. (2003). *Životné prostredie a jeho rola ako mäkkého aspektu bezpečnosti [The environment and its role as a soft aspect of security]*. National conference *Slovakia in NATO*, University of Economics, Bratislava.

Lectures/presentations at international events (other than scientific conferences)

Sedlacko, M. (2016) Reflection on the nexus of innovation, regulation and knowledge from the perspective of sustainability. *Knowledge – Regulation – Innovation*. Comenius University, 8 December 2016, Bratislava, SK (invited speech).

Sedlacko, M. – Dahlvik, J. (2016). *Learning with a ‘scientific temper’: training civil servants for transformative practice*. Copenhagen Forum Annual Workshop 2016, 9–11 November 2016, Rotterdam, NL.

Sedlacko, M. (2015). *Scientific competences of civil servants and teaching: what kind of science and for what purpose?* Copenhagen Forum Annual Workshop *Experimental Learning within Master Programmes*, 4–6 November 2015, Copenhagen, DK

Sedlačko, M. (2013). Experience with tools and strategies from FP7 knowledge brokerage projects. *Writing Better Research Dissemination Strategies – Exchanging Ideas, Tools and Methods Across Europe*, 2–3 December 2013, Barcelona, ES.

Sedlacko, M. – Videira, N. (2013/2012/2011). *Conducting Participatory Systems Mapping: A Quick Introduction*. Held with small variations at the following events:

- 2nd RESPONDER Multinational Knowledge Brokerage Event *Changing the Finance System to Enable the Transition to a Sustainable Economy*, 14–15 May 2013, Finance Lab & University of Surrey, Brussels, BE.
- 2nd RESPONDER Multinational Knowledge Brokerage Event *Shaping the Future of Sustainable Food Consumption*, 18–19 April 2013, CENSE FCT, Lisbon, PT.
- 2nd RESPONDER Multinational Knowledge Brokerage Event *Towards Sustainable Mobility in European Cities*, 21–22 March 2013, Forecasting Institute of the Slovak Academy of Sciences, Bratislava, SK.
- 2nd RESPONDER Multinational Knowledge Brokerage Event *Green ICT for Sustainable Consumption*, 17–18 January 2013, WU Wien, Vienna, AT.
- 2nd RESPONDER *European Dialogue on Sustainable Consumption and Economic Growth*, 29–30 October 2012, Brussels, BE.

- RESPONDER Multinational Knowledge Brokerage Event on Household Saving and Debt, 24–25 May 2012, FinanceLab, University of Surrey & WWF, London, UK.
- RESPONDER Multinational Knowledge Brokerage Event on Sustainable Housing, 28–30 March 2012, UAB, Barcelona, ES.
- RESPONDER Multinational Knowledge Brokerage Event on Sustainable Mobility, 21–23 March 2012, Bratislava, SK.
- RESPONDER Multinational Knowledge Brokerage Event *Sustainable Food Consumption and Economic Growth*, 28–30 January 2012, CENSE FCT, Lisbon, PT.
- RESPONDER Multinational Knowledge Brokerage Event *Green ICT for Growth and Sustainability?*, 30 May – 1 June 2012, WU Wien, Vienna, AT.
- 1st RESPONDER *European Dialogue on Sustainable Consumption and Economic Growth*, 19–21 October 2011, Berlin, DE.

Sedlacko, M. (2010). *Towards Defining the Principles of a Sustainable Economy*. Annual ESDN Conference, 6-8 July 2010, Ghent, BE (invited keynote speech).

Sedlacko, M. (2009). *Strategies for Sustainable Development: EU, National and Local Levels*. Local Environmental Action Planning (LEAP) II: Regional Conference on Further Perspectives of LEAPs in SEE *Integration or “hanging in the air”?*, REC and SIDA, Budva, Montenegro – invited keynote speech.

Sedlacko, M. (2009). *Impact Assessment in Europe: Functions, Quality and the Evaluation Context*. Workshop on Assessing Impacts of NSDSs, Finnish Environmental Institute, Helsinki – invited keynote speech.

Sedlacko, M. (2007). *Lessons from ESF-Funded Education Projects: A Challenge for Sustainability*. Commission for Education for Sustainable Development, Ministry of Education of the Slovak Republic and Ministry of the Environment of the Slovak Republic, Modra – invited presentation.

Sedlacko, M. (2007). *Summarising the Experience from and Challenges of ESF-Funded Education Projects*. Teachers’ Forum Annual Conference, Bratislava – invited presentation.

Sedlacko, M. (2006). *National strategic planning in the Slovak Republic: opportunities and challenges to sustainable development*. The Course on Sustainability and Action, October 8-12, 2006, Szentendre, organized by REC and the University of Venice, Italy – invited presentation.

Other conference and workshop activities

Co-convener of the session “*Knowledge: embodied, inscribed, enacted*” – *the framework reconsidered* (with Julia Dahlvik), European Consortium on Political Research (ECPR) General Conference, 7–10 September 2017, Oslo, Norway.

Co-convener of the session *Building issues and mobilising concepts in conflicting policy processes* (with Hal Colebatch & Peter Spink), 12th international conference on Interpretive Policy Analysis (IPA), 6–8 July 2017, Lancaster, UK.

Organisation of and participation in a practice-research event with the Federal Chancellery of Austria on behalf of the Section *Politics and Public Administration* of the Austrian Society for Political Science (ÖGPW), *Wissensmanagement in Theorie und Praxis: ein Dialog von Verwaltung und Wissenschaft (Knowledge Management in Theory and Practice: A Dialogue between Public Administration and Science)*, 6 April 2016, Vienna.

Co-organiser of the workshop *Degrowth as a Perspective of Radical Transformations*, congress of the Association for Critical Social Research (AkG) *Kämpfe – Alternativen – Zukunft: Brücknjahr 2015? (Struggles – Alternatives – Future: A Bridging Year 2015?)*, 3–5 July 2015, Vienna.

Reviewer for the European Society for Ecological Economics (ESEE) bi-annual conference *Transformations*, 30 June – 3 July 2015, Leeds, UK.

Co-organiser and co-moderator of the *Regional and Bio Food and Agricultural Systems* workshop, conference *Gutes Leben für Alle (Good Living for All)*, 20–22 February 2015, Vienna.

- Convener and session chair of the session *Approaches and tools for learning to manage contradictions of sustainable consumption and economic growth* at the International Society for Ecological Economics (ISEE) bi-annual conference *Wellbeing and Equity within Planetary Boundaries*, 13–15 August 2014, Reykjavik, Iceland.
- Panel co-chair (*Making Sense in Policy Practice II*) at the 23rd World Congress of Political Science (IPSA): *Challenges of Contemporary Governance*, 19–24 July 2014, Montreal. Convenor: Hal Colebatch.
- Co-organiser of the Political Ecology working group, *Zur Lage des Marxismus (On the State of Marxism)*, congress of the Association for Critical Social Research (AkG), 13–15 December 2013, Berlin.
- Convener and panel chair (*Practice, Conflict and Power*) at the 8th International Interpretive Policy Analysis Conference (IPA) 2013: *Societies in Conflict: Experts, Publics and Democracy*. 3–5 July 2013, Vienna. Discussant: Hendrik Wagenaar.
- Session chair at the International Society for Ecological Economics (ISEE) bi-annual conference, 16–19 June 2012, Rio de Janeiro, Brazil.
- Co-organisation of and session chair at the *Sustainable Development Evaluations in Europe: From a Decade of Practices, Politics and Science to Emerging Demands* EASY-ECO International Conference, Brussels, November 17–19, 2011.
- Organisation and chairing of the *Systemic Evaluation Workshop* seminar at the EASY-ECO International Conference, Brussels, November 17–19, 2011.
- Co-organisation of and session chair at the *Stakeholder Perspectives in Evaluating Sustainable Development* EASY-ECO International Conference, Budapest, October 16–18, 2009.
- Organisation and chairing of a workshop on *Sustainability Evaluation at Evaluation and Society*, 12th annual conference of the German Evaluation Society, Münster, October 7–9, 2009

Non-scientific event activities

- Mitgestaltung einer Veranstaltungsreihe *Plattform Wissensmanagement* in Kooperation mit Bundeskanzleramt und Verwaltungsakademie des Bundes (mit Julia Dahlvik), 22. Mai und 10. November 2017, Wien.
- Strategische Ausrichtung des Öffentlichen Sektors – Quo vadis?* Organisation eines Workshops in Kooperation mit dem Rechnungshof (mit Natalia Hartmann), 7. Juni 2017, Wien.
- Organisation and moderation of a side-event *National Sustainable Development Strategies – What Future Role with Respect to Green Economy?*, held under the auspices of the Government of Lichtenstein on 14 June 2012 at the UN Conference on Sustainable Development, Rio de Janeiro, Brazil.
- Co-organisation of 13 international events for knowledge exchange on sustainable consumption between scientists and policy makers in the framework of the CORPUS and RESPONDER projects, 2010–2013
- Co-organisation of 5 international events for knowledge exchange on sustainable development strategies between policy makers in the framework of the ESDN, 2008–2013
- Co-organisation of 6 on-line and 6 face-to-face international trainings for young researchers and professionals on evaluating sustainability in the framework of the EASY-ECO 2008–2010 project
- Deputy Head of the Academic Senate, Faculty of International Relations, University of Economics in Bratislava, January–October 2004
- Coordinator of the *Working Group for the Establishment of the Teaching Assessment Criteria*, Faculty of International Relations, University of Economics in Bratislava, January–October 2004
- Co-organisation of regional and national policy events, press conferences and publication launches, UNDP RBEC/RSC, 2002–2003

Representation of UNDP at the 2002 international policy conference *Visegrad Agenda 21: Transition from a Centrally Planned Economy to Sustainable Society?* and co-drafting the final conference declaration, the *Prague Declaration*

Grant writing

- coaching workshop on applying for research funds of the FWF Austrian Science Fund, Vienna, March 2012

Project management

- management of research projects and team leadership, Rainer Osterhorn (CANCOME), November 2009

Teaching

- *Pedagogic Education for University Teachers* diploma course, Faculty of National Economy, University of Economics in Bratislava, February–June 2004
- *Moodle Training*, University of Applied Sciences FH Campus Wien, July 2014
- *Problem-Based Learning*, University of Applied Sciences FH Campus Wien, January 2017

- *Giving Text Feedback*, University of Applied Sciences FH Campus Wien, January 2017

Other competences

- *Sustainable Development: Good Governance* course, Netherlands Ministry for Development Cooperation & Regional Environmental Centre for CEE (REC), May 2009
- *ICT Certificate*, United Nations Development Programme, June 2003

Teaching and trainings conducted

Problem-Based Teaching and Learning (2017), training for the teaching staff of the Institute for Public Policy, Faculty of Social and Economic Sciences, Comenius University Bratislava

Qualitative and Quantitative Research Methods (2014–2015, 2015–2016), lecture/seminar for students of the Bachelor of Public Management program (University of Applied Science FH Campus Wien)

Applied Research in Public Management (2014–2015, 2015–2016), lecture/seminar for students of the Master of Public Management program (University of Applied Science FH Campus Wien)

Research Methods Fundamentals (2014–2015, 2015–2016), lecture/seminar for students of the Master of Public Management program (University of Applied Science FH Campus Wien)

Environmental Policy (2013–2014), elective seminar for master students of the Public Policy and Administration program (Institute for Public Policy, Department of Social and Economic Sciences, Comenius University in Bratislava)

Evaluation of Public Policy (2013–2014), mandatory seminar for master students of the Public Policy and Administration program (Institute for Public Policy, Department of Social and Economic Sciences, Comenius University in Bratislava)

Sustainability and Global Environmental Change (2013, 2014), discussant in a lecture series (*Ringvorlesung*) for master students of social sciences (University of Vienna)

Science and Practice: Sustainability through Consumption? (2013, 2014), elective seminar for students of the Environmental Studies master program, Practical Environmental Studies (Masaryk University, Brno)

Usage of Systems Thinking Methods in Evaluation (2011), short training for researchers conducting program evaluation and policy analysis (University of Deusto, Donostia-San Sebastián)

Evaluation of Sustainability (2008–2010), development, e-learning design and online moderation in 6 trainings (each 3.5 months) for international young researchers and professionals (EASY-ECO 2008–2010 project)

National Sustainable Development Strategies: A Look at Elements of Their Design in Theory and Practice (2009), short training for local-level Balkan policy makers, *Good Governance: A Course on Sustainability and Action* (REC and Netherlands Development Cooperation; Budva, Montenegro)

Evaluation of Sustainability (2007), 2-week training for international young researchers and professionals (EASY-ECO 2005–2007 project; Sendzimir Foundation, Krakow).

Introduction into Environmental Philosophy, Politics, Policy and Economics (2007), elective seminar for master students of the Public Policy and Administration program (Institute for Public Policy, Department of Social and Economic Sciences, Comenius University in Bratislava)

Introduction into Sustainable Human Development (summer schools 2006 and 2007), short training for CEE/CIS researchers and policy makers (CEU/UNDP Summer Schools/SUN, Budapest)

Strategic Planning for Sustainable Development (2006), 1-week training for local-level Slovak policy makers (Academia Istropolitana NOVA)

Evaluation of Sustainability (2005), scientific tutor in a 2-week training for international young researchers and professionals (EASY-ECO 2005–2007 project; REC Bratislava, Bratislava)

Global Development Problems and Global Responses (2002 and 2003), elective seminar for master students of the International Relations program (Department of International Relations, University of Economics in Bratislava)

International Economics (2002 and 2003), mandatory seminar for master students of the International Business program (Department of Commerce, University of Economics in Bratislava)

Comparative Economics (2002 and 2003), mandatory seminar for master and PhD students of the International Relations program (Department of International Relations, University of Economics in Bratislava)

Supervision of theses and dissertations

Public Management, University of Applied Sciences FH Campus Wien, bachelor and master theses, 2015-2018 (topics: public participation in urban planning; role of technologies in public administration practice; knowledge management in public administration; knowledge and knowing in administrative practice; practices of ethnic and religious identity building)

Institute for Public Policy, Department of Social and Economic Sciences, Comenius University in Bratislava, 2007/2014/2015 (topics: municipal waste management; Europe 2020 and governmentality studies; Environmental Impact Assessment (EIA); role of expertise in policy making)

Institute of Landscape Ecology, Department of Natural Sciences, Comenius University in Bratislava, 2007. (topic: Strategic Environmental Assessment (SEA), co-supervision)

Department of International Relations, University of Economics in Bratislava, 2002–2004 (9 bachelor theses, various topics, co-supervision)

Non-academic professional experience

External Monitoring Manager, European Integration Division, Ministry of Education of the Slovak Republic, Aug. 2005 – Aug. 2007

Project and Event Co-ordinator, Regional Support Centre (RSC) and Regional Bureau for Europe and the CIS (RBEC), United Nations Development Programme (UNDP), March 2002 – Dec. 2003

Consultancy

- advice to the Agency for Civil Service of Bosnia and Hercegovina on competence and training planning and performance assessment
- *Plattform Wissensmanagement*, scientific input to the Austrian federal knowledge management strategy, implemented by the Federal Chancellery (BKA), 2016–
- member of the *External Advisory Group* supporting the Deputy Prime Minister's Office of the Republic of Serbia in the implementation of the Serbian National Sustainable Development Strategy, 2010–2012
- contributing author to *Integrated Environmental Assessment Training Manual Customization for European Region* project, CEU/UNEP (<http://www.unep.org/IEACP/iea/>), 2010
- study analysing stakeholder involvement processes in national sustainable development strategies across the EU, German Federal Ministry of the Environment (*Internationale Vergleichsstudie zu gesellschaftlichen Konsultationsprozessen bei der Formulierung und Weiterentwicklung nationaler Nachhaltigkeitsstrategien, Weiterentwicklung der Deutschen Nachhaltigkeitsstrategie*), 2007–2008
- member of the Higher Education Working Group, *Commission for Education for Sustainable Development*, Ministry of Education of the Slovak Republic and Ministry of the Environment of the Slovak Republic, May 2006 – November 2007
- leader of an evaluation team to conduct a mid-term evaluation of the Operational Programme Education under the National Strategic Reference Framework, Ministry of Education of the Slovak Republic, January – June 2007
- *Study on Strengthening Environmental Institutions*, World Bank & Regional Environmental Center for Central and Eastern Europe, Country Office Slovakia, August 2005 – April 2006

Professional memberships

- Section “Politik und Verwaltung” of the Austrian Society for Political Science (ÖGPW), Speaker
- International Political Science Association (IPSA)

- Standing Group Theoretical Perspectives in Policy Analysis, European Consortium for Political Research (ECPR)
